**GLASS WARNING:** Glass items are hand crafted and actual color and/or design may slightly vary. Changes in lighting may also effect appearance. Install with grid drain only.

**CAUTION:** Do not over-tighten. THE NUT ON THE DRAIN SET SHOULD BE FINGER TIGHTENED AND THEN TURNED NO MORE THAN ONE ADDITIONAL TURN. Silicone or a series of rubber gaskets will be used to create a water tight seal. The metal surfaces of the drain set should never come in contact with the glass (Doing so can cause stresses to build in the glass, which could later crack the glass).
